1. Can you please tell me who the current contractor and the current annual amount for the Housing Authority landscape maintenance bid?
 - a. The Housing Authority has not had a combined contract of this nature and that is the reason we are going out with an RFP for the landscape maintenance for our properties. In addition, we will not be splitting properties and are looking for one contractor for this contract, that will be maintaining all of the properties listed in the RFP.
2. Is there a bond for this solicitation?
 - a. No, we are not requesting a sealed bid; we are requesting proposals.
3. Is this State or Federal prevailing wage?
 - a. No
4. Is there an extension on the deadline?
 - a. No, they are due July 6th at 4 pm.
