(b) Each offeror shall furnish the information required by the solicitation. The offeror shall sign the offer and print or type its name on the cover sheet and each continuation sheet on which it makes an entry. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the HA.

(c) Offers for services other than those specified will not be considered.

2. Submission of Offers

(a) Offers and modifications thereof shall be submitted in sealed envelopes or packages (1) addressed to the office specified in the solicitation, and (2) showing the time specified for receipt, the solicitation number, and the name and address of the offeror.

(b) Telegraphic offers will not be considered unless authorized by the solicitation; however, offers may be modified by written or telegraphic notice.

(c) Facsimile offers, modifications or withdrawals will not be considered unless authorized by the solicitation.

3. Amendments to Solicitations

(a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.

(b) Offerors shall acknowledge receipt of any amendments to this solicitation by

- (1) signing and returning the amendment;
- (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer,
- (3) letter or telegram, or
- (4) facsimile, if facsimile offers are authorized in the solicitation. The HA/HUD must receive the acknowledgment by the time specified for receipt of offers.

4. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

- (1) Have adequate financial resources to perform the contract, or the ability to obtain them;

- (2) Have a satisfactory performance record;
- (3) Have a satisfactory record of integrity and business ethics;
- (4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
- (5) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the HA/HUD.

(b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

6. Late Submissions, Modifications, and Withdrawal of Offers

(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -

- (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
- (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the HA/ HUD that the late receipt was due solely to mishandling by the HA/ HUD after receipt at the HA;
- (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
- (4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show **the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.**

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

In the event that the Regional Labor Relations Officer was the deciding official on reconsideration, the appeal shall be directed to the Director, Office of Labor Relations (HUD). Any appeal must set forth the aspects of the decision that are in dispute and the reasons, including any affirmative defenses, with respect to the violations.

Any appeal to the Director must set forth the aspects of the prior decision(s) that are in dispute and the reasons. The decision of the Director, Office of Labor Relations, shall be final.

- (b) Disputes arising out of the labor standards provisions of paragraph 6 shall not be subject to paragraph 5(a) of this form HUD-5370C. Such disputes shall be resolved in accordance with the procedures of the U.S. Department of Labor set forth in 29 CFR Parts 5, 6 and 7. - B. The parties to this contract agree to comply with HUD's regulations in 24 CFR Part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.
- C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor or organization or workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.
- D. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon finding that the subcontractor is in violation of the regulations in 24 CFR Part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 135.

- F. Noncompliance with HUD's regulations in 24 CFR Part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.
- G. With respect to work performed in connection with Section 3 covered Indian housing assistance, Section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Neither party has the right to bind the other party to any agreement with a third party or to incur any obligation or liability on behalf of the other party.

13. Confidentiality. Contractor acknowledges that during the engagement he/she will have access to and become acquainted with various trade secrets, inventions, innovations, member records or information, processes, information, records, data and ideas by HACSB and/or used by HACSB in connection with the operation of its business. Contractor agrees that he/she will not disclose any of this property or information, directly or indirectly, or use any of it in any manner for the benefit of him/herself or for any third party, either during the term of this Agreement or at any time thereafter, except as required in the course of his/her provision of services to HACSB. All customer records or information, business records or information, files, records, documents, letters, notes, media lists, original artwork and similar items relating to the business of HACSB, whether prepared by Contractor or otherwise coming into his/her possession, shall remain the exclusive property of HACSB. Upon the termination of this Agreement, or whenever requested by HACSB, Contractor shall immediately deliver to HACSB all such property, information, and other items in his/her possession or under her control. Contractor further agrees that he/she will at all times preserve the confidential nature of his/her relationship to HACSB and of the services hereunder.

14. Conflicts of Interest. Contractor represents that he/she is free to enter into this Agreement and that this engagement does not violate the terms of any agreement between Contractor and any third party. During the term of this agreement, Contractor shall perform the required duties in a timely and productive manner. Contractor is expressly free to perform services for other parties while performing services for HACSB, as long as such provision of services does not impair Contractor's ability to perform his/her duties to HACSB or pose a conflict of interest or breach of confidentiality for HACSB, in HACSB's sole discretion.

15. Independent Contractor. This Agreement shall not render Contractor an employee, partner, agent of, or joint venture with HACSB for any purpose. Contractor is and will remain at all times an Independent Contractor in his/her relationship to HACSB. Contractor shall not be eligible for and shall have no claim against HACSB hereunder or otherwise for vacation pay, sick leave, retirement benefits, social security, worker's compensation, health or disability benefits, unemployment insurance benefits, tax liability or employee benefits of any kind.

16. Taxes. HACSB shall not be responsible for withholding taxes with respect to Contractor's compensation hereunder. As an independent contractor, Contractor shall be solely responsible for the payment of any and all taxes charged by any federal, state or local taxing authority as a result of Contractor's work performed or compensation paid pursuant to this Agreement. Contractor shall indemnify and hold harmless HACSB from any and all such tax liabilities.

17. Licenses and Insurance. As an independent contractor, Contractor shall be solely responsible for determining and obtaining all personal or business licenses necessary for him/her to lawfully and safely perform the duties contemplated hereunder, including without limitation business tax license and driver's license as needed.

Before the services can be rendered, the selected firm must provide proof of Insurance. Certificates of Insurance acceptable to HACSB must be submitted prior to commencement of any work. These certificates shall contain a provision that coverage afforded under the policies will not be cancelled unless thirty (30) day prior written notice has been given to HACSB. If the insurance described above is cancelled, HACSB reserves the right to terminate the contractual relationship upon thirty (30) days' notice. (Exhibit C)

18. Choice of Law. The laws of the state of California shall govern the validity of this Agreement, the construction of its terms and the interpretation of the rights and duties of the parties hereto.

19. Arbitration. Any controversies arising out of this Agreement or its interpretation shall be resolved by arbitration in accordance with the provisions of the California Arbitration Act, section 1280 et seq. of the California Code of Civil Procedure. If the parties are unable to agree on a neutral arbitrator, then each party shall select one person, who shall then choose a third impartial arbitrator whose decision shall be final and conclusive on both parties. The parties shall share the fees and costs of arbitration on a 50/50 basis, except that each party shall bear its respective attorneys' fees and costs arising in any dispute under this Agreement. Venue for such arbitration shall be in Ventura County, California unless otherwise mutually agreed between the parties.

20. Waiver. Waiver by one party hereto or breach of any provision of this Agreement by the other shall not operate or be construed as a continuing waiver.

21. Notices. Any and all notices, demands, or other communications required or desired to be given hereunder by any party shall be in writing and shall be validly given or made to another party if personally served, or if deposited in the United States mail, certified or registered, postage prepaid, return receipt requested. If such notice or demand is served personally, notice shall be deemed constructively made at the time of such personal service. If such notice, demand or other communication is given by mail, such notice shall be conclusively deemed given five days after deposit thereof in the United States mail addressed to the party to whom such notice, demand or other communication is to be given as follows:

If to Contractor: _____

If to HACSB: xxxxxx
 995 Riverside Street
 Ventura, CA 93001
 Telephone: (805) 648-5008 ext. xxxxx

Any party hereto may change its address for purposes of this paragraph by written notice given in the manner provided above.

22. Modification or Amendment. No amendment, change or modification of this Agreement shall be valid unless it is in writing signed by the parties hereto.

23. Attorneys' Fees and Costs. In the event any dispute or claim arises out of this Agreement, the prevailing party shall be entitled to recover its reasonable fees and costs from the other party.

23. Standard of Care. The Contractor and its employees, subcontractors, and other persons or entities performing portions of the services for or on behalf of the Contractor, shall perform all services in a manner consistent with the standard of professional skill and care under California law, applicable to those who specialize in providing such services, under circumstance similar to that of the services which are the subject of this Agreement.

24. Indemnification. To the fullest extent permitted by law, Contractor shall indemnify, hold harmless, and at Owner's request defend, the Owner and its officers, directors, employees, and agents, from and against claims, liabilities, damages, losses, costs, and expenses, including but not limited to attorneys' fees, arising out of or resulting from performance

of the services, failure to perform the services or condition of the services, to the extent caused in whole or in part by the negligent acts or omissions of the Contractor, a subconsultant, anyone directly or indirectly employed by them or anyone for whose acts they may be liable. Such obligation shall not be construed to negate, abridge, or reduce other rights or obligations of indemnity which would otherwise exist as to a party or person described in this Section. The provisions of this Section shall survive the expiration or termination of this Agreement.

25. Ownership of Work Product. All documents, reports, surveys, materials, architectural and engineering drawings, and specifications ("Work Product") developed or assembled by the Contractor in connection with this Agreement shall be the exclusive property of the Owner. The Owner shall own all of the right, title and interest, in and to the Work Product including without limitation, all trademarks, copyrights, trade secrets, patents, and any and all other intellectual property rights. The Owner shall have the unrestricted right to use and disclose the Work Product in any manner and for any purpose related to the Project without payment of further compensation to the Contractor. The Owner shall have the rights granted in this Section regardless of whether this Agreement is terminated early or Contractor fully performs its services under this Agreement. The Owner shall have access to the Work Product in whatever form at all times during the term of this Agreement. Any Work Product in the possession of the Contractor upon completion or termination of this Agreement shall be delivered to the Owner promptly upon payment to the Contractor for services rendered in accordance with this Agreement prior to termination or completion. Copies of the Work Product including reproducible copies may be retained by the Contractor but the Contractor warrants that the Work Product shall not be made available by the Contractor to any person or entity for use without the prior approval of the Owner other than in connection with the Project.

26. Nondiscrimination. There shall be no discrimination against or segregation of any person, or group of persons, on account of race, color, religion, creed, national origin or ancestry, sex, gender identity, age, marital or domestic partner status, sexual orientation or disability in the performance of this Agreement. Contractor will ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, creed, national origin or ancestry, sex, gender identity, age, marital or domestic partner status, sexual orientation or disability. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; selection for training, including apprenticeship; and provision of any services or accommodations to clients or the general public.

27 Entire Understanding. This document and any exhibit attached constitute the entire understanding and agreement of the parties, and any and all prior agreements, understandings, and representations are hereby terminated and canceled in their entirety and are of no further force and effect.

28. Unenforceability of Provisions. If any provision of this Agreement, or any portion thereof, is held to be invalid and unenforceable, then the remainder of this Agreement shall nevertheless remain in full force and effect.

29. Knowing and Voluntary Execution. HACSB and Contractor agree that each party has the authority to enter into this agreement, and that each party does so knowingly and voluntarily and with full understanding of its terms.
