Request for Qualifications

General Contractor Services for the construction of:

Willett Ranch

March 18, 2019

Q: Upon review of the RFQ I noticed that it requests as far as numbers are concerned, that we include our general conditions and fee, and not necessarily bid out the entire project for this effort. However, I noticed that there is a schedule of values attachment included in the exhibits. I just wanted to confirm what level of pricing detail is requested for the RFQ purposes.

A: We are not expecting a price by the RFQ deadline. At this point the only numbers required are the general conditions and fee. The schedule of values attachment was provided as reference, since this is the format that will be used later.
